A non-profit organization founded by Winona Mulcaster, a Saskatchewan artist and horse enthusiast. We are internationally affiliated with and proud of our Olympian alumnae Gina Smith and Cathy Wedge.

#### Our Objectives:

1. **To Encourage** young people ages 9-21 to ride & enjoy equestrian sports.
2. **To Provide** instruction in riding & horsemanship.
3. **To Instill** in our members the proper care & appreciation of horses.
4. **To Cultivate** self discipline & strength of character

#### Volunteer Participation Makes Our Club. We Encourage Communication, Co-operation, & Dedication

Our Pony Club operates from September to June. You do not have to own a horse. School horses and leasing options are available through Ebon Stables. Weekly lessons, extra activities, & lectures prepare our members for the series of testing levels (written & practical). Testing is conducted yearly at the end of the season.
